Scope of Review Summary for Supplemental Report II

Timelines for documents and instructions received

Date	Description	email received from / sent to
7/21/2022	Received email requesting a second supplemental report completed by 7/27/2022. Instructions included. "ORDER: ORDERED that by July 27, 2022, Mr. Patterson shall produce a second supplemental report that either (i) confirms the accuracy of the following statements or (ii) denies the accuracy of the following statements with an explanation as to why the statement is not correct: Regardless of any action that may have been taken on Defendant's Virtual Machine -including deletion of code, restoring the Virtual Machine and/or rolling back theVirtual Machine to a particular date in the past - such action would have no impact oncode that was previously committed to the Azure DevOPS repository. With respect to the Azure DevOPS repository change logs/branch history, they (i)show no deletions of any code, (ii) cannot be altered and (iii) date back to at least December 2020. (Signed by Judge Lorna G. Schofield on 7/21/2022) (rro)"	Allyn & Fortuna LLP
7/21/2022	Responded that I was able to complete the report by 7/27/2022.	Allyn & Fortuna LLP
7/26/2022	Emailed Supplemental Report II to Allyn & Fortuna LLP	Allyn & Fortuna LLP

Timelines for supplemental report validations and documentation

Date	Description	Comments / Hours worked
7/26/2022		1 hour creating word template for supplemental report II and responding to both questions
